b. Referred to the cable [REDACTED] (IN 12244), respecting an alleged invitation from the Vice President to the Sultan of Djakarta to visit the U.S., and noted this might not be a bad idea; however, he did not know if such an invitation had been issued. There was considerable discussion as to the terms of reference of this Board and promotions in general. The Director expressed the opinion that this problem was one of considerable magnitude and indicated he wished to move in on it at the earliest possible date.

The Director said this legislation would be along the lines of a Defector Inducement Program, and Hillings had promised to send his proposal to us for comment.

g. Noted he had received the revision of NSC 10/2 and 10/5, and asked General Cabell to have a final look at this. It was noted by DD/P that this paper, as now written, had his concurrence and that of his people.
